

# REMOVE CUSTOMERS ODORS EVERY TIME WITH EARTH CARE PRODUCTS Odor Remover “BAG”

**EARTH CARE's Odor Remover “BAG”** uses a natural earth mineral that is mined and processed to attract and remove all types of odor and smoke molecules. It is ideal for removing dead rodent odor and works even if the dead carcass is not removed. Its content is non-toxic, bio-degradable, non-flammable, safe around children, pets, and mother earth. It is easy to use, lasts an average of 3-4 months, & contains no chemicals, toxins or fragrances. Earth Care does not mask odors it removes them.

**EARTH CARE's BAG** can take from one hour to several days, but it is more effective since it removes odors versus masking them and is very simple to use and cost effective.

## OTHER EARTH CARE PRODUCTS:

**GRANULES:** Sprinkled on surfaces such as; carpets, litter boxes, ground, dog runs, floors; to remove odors from pets, skunk spray, orthene, chemicals, etc., leaving air fresh and natural. Granules are available in 14 oz. **CANISTERS** and 9 lb. **BUCKETS**.

## ACTION TO TAKE FOR ALL ODOR PROBLEMS:

Remove clear plastic wrap from **BAG**.

Place **BAG** in area odor is strongest.

Best to limit coverage of one **BAG** to a single room up to 100-200 square feet.

Odors usually are adsorbed within 1-24 hours

**BAG** lasts an average of 3-4 months.

## COMMON USES FOR ODOR REMOVER BAG:

### **DEAD ANIMAL & RELATED URINE/FECES ODORS:**

To remove odor from dead animal carcasses and remaining urine/feces odors take the following steps.

Note: It is not necessary to remove dead carcass to remove the odor. More **BAGS** = better faster results

Place a **BAG** in room if animal is in a wall. (E.g., dead rodent, cat, etc.)

If dead animal is in attic or crawl space place one **BAG** in that area as well.

**BAG** will outlast odor from carcass and handle any urine or feces odors that may exist from any previously infested areas.

### **SKUNK SPRAY:**

Place one **BAG** in area and use Earth Care's odor absorbing granules.

### **SMOKE ODOR FROM CIGARETTES, FIRE PLACE OR FIRES:**

Hang a **BAG** in the area odor is strongest.

### **HOTELS, HOMES, NURSING HOMES, RV's, REFRIGERATION UNITS, GYMS, BOATS, LOCKER ROOMS, PHOTO SHOPS, KITCHENS, VETERINARY OFFICES, AND RESTROOMS:**

To remove odors of urine, ammonia, orthene, chemicals, mildew, food & cooking.

Hang a **BAG** in the area odor is strongest.

### **CAT LITER BOXES:**

Place one **BAG** in area near liter box and use Earth Care's odor adsorbing granules (**CANISTER** or **BUCKET**).
